G D G A7 D : |
G A7 D G C7 F
G D A7 D

As long as in a Jewish breast
the soul's stirring has not ceased
The eye for longing will not rest
until it gazes on Zion in the East.

Our ancient hope will not perish
Hope from ages long since past
To live free in the land we cherish
Zion and Jerusalem at last

To live free in the land we cherish
Zion and Jerusalem at last.
